103 Springfield Street

Dec. 14. 1864

199

My Dear Garrison

This is the earliest opportunity I have had of sending you the enclosed Card, which came to me in a letter from E. Wigham, dated Nov 12, in which she sent much love to you. I reached home last evening fatigued, as you may suppose, but not regretting my journey, which has been a very interesting one.

Sincerely Yours

Geo Thompson

Wm L. Garrison Esq

G. D.
